

<Supplier> confirms that it is aware of the Regulation of the European Parliament and of the Council concerning the Registration Evaluation Authorisation and Restriction of Chemicals (REACH). To the extent the Product or any of the substances contained in the Product falls within the scope of REACH <Supplier> confirms and represents that any of the substances contained in the Product shall comply with the requirements of REACH and <Supplier> further represents that to the extent required under REACH any of the substances contained in the Product is or will be timely pre-registered and subsequently registered and will remain pre-registered and registered for the use(s) as identified by <buyer> and communicated by <buyer> to <Supplier> in writing. To the extent the Product or any of the substances contained in the Product require authorization <Supplier> shall use its best efforts to timely obtain and maintain authorization. In this respect <Supplier> shall keep <buyer> informed about the status of the authorization process including information on the inclusion on the candidate list and Annex XIV and the information as specified in article 57 of REACH.
